Congratulations on your success in the Red Dot Award: Brands & Communication Design 2026!

In a strong field of participants with numerous entries from agencies, designers and companies around the world, your project impressed the international Red Dot Jury with its outstanding design and creative quality. With this distinction, the jurors honour an achievement that sets new standards. The Red Dot Winner Label, together with the presentation of your award-winning work in the International Yearbook Brands & Communication Design, on www.red-dot.org and in our exhibitions, will showcase your success to an international audience.

Take advantage of this powerful symbol of outstanding design quality and integrate the Red Dot Winner Label strategically into your communications. True to our motto, "Winning is the Beginning", the full impact of your success starts now. It would be my sincere pleasure to celebrate your success with you on 6 November at the award ceremony during the Red Dot Gala at the Konzerthaus Berlin and the Designers' Night at the BRICKS Club.
